

## Local / Interstate Handy Hints and Move Planner

### Discontinue at your old address:

- » Telephone
- » Gas and electricity
- » Newspapers and subscriptions
- » Milk and bread deliveries

### Arrange for connection to your new house:

- » Telephone
- » Gas and electricity

### Notify your change of address to:

- » The Electoral Commission
- » Your bank to transfer your account
- » The post office to redirect your mail
- » Your consultants/advisors including solicitor, accountant and stockbroker
- » Your insurance company
- » Your health insurance fund
- » Roads and Traffic Authority for car registration, licences etc

### Make sure you have you collected or returned:

- » Your children's school records
- » Your family's dental and medical records
- » Dry cleaning and items left for repair
- » Anything borrowed from or loaned to a neighbour
- » Library books

### Remember to also:

- » Defrost your refrigerator and prepare all appliances for removal
- » Dispose of all items you have decided not to take including garden chemicals, paint, mower fuel etc
- » Ask us about insurance for moving and check to make sure everything is covered
- » Pack your emergency kit for when you arrive at your destination
